Description:

Beautiful Villas in Cala Medina, Cabo de Palos, known for its spectacular cliffs, is undoubtedly a paradise for the eyes, where you can enjoy the immensity of the Mediterranean Sea right on the coast.

Inside they have three large bedrooms, 3 full bathrooms, 1 toilet, air conditioning and heating, living room, fitted kitchen (including high-end appliances), living room, dining room, utility room, parking and storage room.

This modern construction provides us with maximum comfort thanks to the perimeter thermal and acoustic insulation of the villa in each room, creating a harmonious and sustainable environment, collaborating with the care of the environment.

It has luxury finishes, because the highest quality materials are used, the design is personalized. Enjoyment of the villas is achieved both in summer and winter, which makes them habitable throughout the year.
